## LARRY SORENSEN

## MEMORIAL BLOOD DRIVE

Every lifesaving blood donor receives a health screening at their donation, finds out their blood type, and is being tested for COVID-19 antibodies to help our state health department understand the virus and identify more convalescent plasma donors.

Blood is the most precious gift that anyone can give - it is the gift of life. Blood and blood products have a limited shelf life, making it a constant need. Join LifeServe Blood Center to celebrate the life of Larry Sorensen by giving back to your community.
